God of all creation

You have given us the beautiful land we call Australia.

Rich in ancient culture and tradition,

Rich in landscape, plants and animal life;

Rich in resources, laws and social structure,

Offering safety and opportunity.

Where there is disaster

May we respond quickly and generously

To bring relief to those injured and deprived of homes

and help them to rebuild their lives and communities.

Where people are displaced from their own lands,

Especially those who seek refuge on our shores,

May we dare to put ourselves in their shoes

And welcome them to share in the life gifted to us.

God of all creation

Give us clear eyes to see the whole world

So that we may never take for granted the gifts you have given

Or think they belong to us alone.

Give us open hearts to reach out from our comfort

and open our gates

To walk in new solidarity with our neighbours.
