## LIGHT THE CROSS

This is the final weekend for our “light the cross” fundraising. We thank the parishioners who have already been so generous with their donations. We have had our sign contractor out to site this week and he is confirming access to the cross and has assured us he will be able to have the cross shining brighter than before. We anticipate it will be around three weeks before installation. This will be an exciting event for our parish and we are planning a ceremony to “light the Dorrington sky” with our own beacon of the St Michaels community spirit. Details to follow.

For those who are still interested to contribute towards the donations, you may do so in the allocated collection plate located at each exit or direct debit into parish account. Bank details in this bulletin. Thank you.

## Be blessed and bless others with your gift

Our faith calls us to help one another through prayer and action. Your gift today will be a blessing to struggling local families; to seminarians and retired priests; and children in our community in dire need of the love and care of a Catholic community. Envelopes are available at the pews.
