Building Bridges

A NEW RESOURCE FOR OUR PARISHIONERS

With a view to creating a source of information for parishioners on matters of faith and on social justice and other issues of Australian or worldwide concern, Fr Pat and the Parish Pastoral Council have set up in the foyer of the church some racks of booklets (and other materials) on those subjects for parishioners to borrow and read. Please examine the lists of booklets and materials available. Should you find an item which you would like to borrow to read at home, please enter your name and other details in the borrower's book and return the item **no later than the following weekend** for other parishioners to borrow. For any items that prove to be particularly popular, attempts will be made to provide multiple copies.

Messages from our Parish Pastoral Council

- If you haven't completed a parish survey (1 per family), please take one from the back of the church and put it into the box this weekend.
- The Parish Pastoral Council has a number of members whose terms are concluding. New members are needed. For more information, please see Fr Pat or David Leahy.
- A pilgrimage to the Holy Land in late October 2017 is being organised by; the Knights of the Sepulchre. The approx. cost is USD 2000 plus flights. For more information please speak to Paul Bartley.

GARDEN RAKE with aluminium handle. A week after the last working bee a rake was discovered in the rose garden over beside the brick house next to the church car park. If the rake is yours it is now in the sacristy.

36 car owners had their vehicle number plates fitted with tamper-proof screws recently thanks to the efforts of the local **Neighbourhood Watch** group. This was in addition to the 39 vehicles modified back in August.
