Are you planning an overseas holiday? If so you may be interested in the latest version of **'Harvest Journeys'**, a copy of which is on a table near the main entrance. You are welcome to **borrow the book** then return it for others to use.

In an effort to help bridge the gap between year 12 school leavers and the wider Catholic Church, the **Youth Evangelisation Office** has created a website called 'www.schoolleavers.org.au'. The website showcases all of the events and programs specifically targeted at young adults in the Archdiocese of Brisbane. Young people in our parish who have recently finished high school may like to view the following website: www.schoolleavers.org.au to see how they can stay connected with the wider Catholic Church after school.

The **Little King's Movement** conducts an annual Door Knock and a parish Appeal. The Movement caters for people with disabilities in social and spiritual activities. There is no government funding and the Movement is staffed by volunteers. Each year the calls for services are increasing. The Movement, though based on Catholic beliefs, is truly ecumenical, and all members are welcome and respected for their own beliefs. There is no charge for any of the services provided by the Movement. You are invited to make a donation to the **Little King's Movement** using the envelopes in your pew.
