St Michael's Parish Family Census

250 Banks St
Dorrington 4060.
Rev Fr Pat Doran CS Sp. P.P.

Dear Parishioners,

The Parish Census helps St Michael's to better connect with our parishioners – in their faith, their family life and their involvement in our parish. There are two parts to this simple form. First, we want to make sure we have your latest contact details. Secondly, we want to know what areas you are interested in being involved in at St Michael's.

All this information is held privately by St Michael's and is used solely for the purposes of running the parish and contacting parishioners. Our website outlines our general privacy policy in greater detail, however this census information is not shared with anyone else, not even the Archdiocese or other Catholic organisations.

Regards,

Fr Pat Doran
